PROFESSIONAL SUMMARY

Final-year Computer Science student at KNUST with hands-on experience building and deploying mobile (Android & iOS) and web applications. Comfortable working across the full stack , from frontend interfaces to backend APIs and actively integrating AI tools into my development workflow. Eager to grow into a software engineering role where I can ship real products and continuously level up my skills.

EDUCATION

BSc. Computer Science — Kwame Nkrumah University of Science and Technology (KNUST) Jan 2023 – Sep 2026
Kumasi, Ghana

W.A.S.S.C.E (General Science) — Kumasi High School Oct 2019 – Jun 2022
Kumasi, Ghana

WORK EXPERIENCE

IT Unit Intern — Holy Family Catholic Hospital Aug 2024 – Oct 2025
Nkawkaw, Ghana

- Installed, configured, and maintained computer hardware and software across hospital departments.
- Diagnosed and resolved technical issues, reducing downtime and improving staff productivity.
- Set up and secured local area networks to support daily hospital operations.
- Created and managed user accounts (e.g., nurses, doctors) using the LHIMS platform.
- Managed data backups and executed recovery processes to protect critical hospital records.

Records Department Intern — Holy Family Catholic Hospital Nov 2025 – Jan 2026
Nkawkaw, Ghana

- Scheduled patient appointments based on clinical needs and department capacity.
- Registered new patients and issued hospital cards using the hospital management system.
- Searched and retrieved patient records globally within the hospital's database system.

PROJECTS & RESEARCH

Skype-Inspired App — KNUST Computer Science Society Jun 2024 – Aug 2024

- Developed a mobile application to enhance communication resources for the university community.
- Led deployment strategy, improving application usability and functionality for end users.
- Mentored and coordinated team members throughout the development lifecycle.

KNUST Virtual Campus Guide — KNUST Computer Science Society Jan 2025 – Apr 2025

- Built a web application enabling students and visitors to navigate the KNUST campus independently.
- Led the deployment process to ensure reliable access and performance for end users.

Safety Alert App — KNUST Computer Science (Mini Project) Society May 2025 – Sep 2025

- Developed a cross-platform mobile app (Android & iOS) that alerts security personnel and contacts when a user is in danger.
- Led app deployment pipeline to ensure reliability and accessibility for target users.

Mental Health App — KNUST Computer Science (Final Year Project) Society Jan 2026 – Sep 2026

- Building a cross-platform mobile and web app (Android, iOS, Browser) to provide AI-driven emotional support
- Developing an AI-powered chatbot using OpenAI GPT for supportive, meaningful user conversations
- Implementing a mood tracking dashboard to help users monitor their mental well-being over time
- Tech stack: React, React Native, Firebase, Firestore, AWS S3

CERTIFICATIONS & PROFESSIONAL TRAINING

Introduction to Web Development — Codecademy Jan 2026 – Present
Artificial Intelligence Fundamentals — IBM SkillsBuild Jan 31, 2026
Verify: credly.com/badges/a7566454-4ead-4484-b666-613bddb76560

SKILLS

Programming Languages: C++, HTML, CSS, Java, Python, JavaScript, React
Design Tools: Adobe Photoshop UI/UX Design
Productivity: Microsoft Office Suite — Excel, Word, Outlook, PowerPoint
Soft Skills: Problem-solving, Critical Thinking, Public Speaking, Teamwork, Presentation
Languages: English , Twi , French

LEADERSHIP

SRC Board & Prep Prefect — Ebenezer Preparatory School Oct 2015 – Jun 2016

- Supervised student prep sessions, maintaining discipline and productive study environments.
- Managed school treasury with accuracy and transparency, maintaining detailed financial records.

VOLUNTEERING & EXTRACURRICULAR

- Independence Day Parade (Mar 2023): Coordinated student mobility during the national marching event.
- Accra Community Donations Outreach (May 2023): Assisted in transporting supplies to community destinations.

ACHIEVEMENTS & AWARDS

Winner, Spelling Bee Competition — Ebenezer Preparatory School 27 May 2015
Winner, Online Chess Competition — Chess.com 26 May 2023
